ANNUAL CAMP LAKE PICNIC!

From the Pres...

After an event like AirVenture, a little time to relax is in order. A good old fashioned picnic is just what the medical examiner ordered. So this month we head back to the wonderful land of cheese and curds, to 49C. For those without an up-to-date sectional, that would be Camp Lake airport.

First things first. In order to have a picnic, there are always a few minor touch-ups that we like to do before relaxing with a hot burger, cold soda, or game of horseshoes. So, on Saturday August 18th, your presence is welcomed at Camp Lake for a little spruce up session. VP Dave has graciously volunteered

to lead the effort, as Kathy and I will be on the right coast witnessing our nephew get married. Taskmaster Dave has decreed that this year we will get off to an early start. Something about avoiding the heat later in the day. Plan to be at Camp Lake at 8:30 AM. You might even be lucky enough to get a cup of Ed's world famous coffee! I suspect there might be a few doughnuts to get things going for the early ones.

As usual, weed trimmers and pruning shears are always appreciated. Ed has a collection of worthy brooms that can be put to good use. Bill Butler will reprise his role as Master Surveyor, and attempt to paint a line straight down the runway! For this task, he will be looking for a few good men (or women) to assist.

The picnic will be the following Saturday (Aug 25). This year, we will have more games to test your skill. Horseshoes, golf ball toss, and bean bag tournaments will be organized. So put together a team and bring on the challenge! We will be keeping score.

As usual, Chapters 217 and 414 will provide burgers and brats, pop, utensils, and plates. We depend on you to provide side dishes and dessert. However, this year, we have decided it is time to retire the dessert contest.

In it's place, we offer the ALL NEW SIDE DISH CONTEST! The rules are simple...submit a side dish of your choosing to be judged by our expert taste testers. All dishes submitted must be made by the contestant. Store bought concoctions will be deemed unworthy and hastily returned as 'standard fare'. So have fun with this. We thought about limiting the contest to one specific dish such as baked beans, but were afraid of the consequences if we were to limit your creativity to one dish. Not to mention our judges delicate constitution.

As usual, the grand prize is \$25, followed by second and third prizes of \$15 and \$10 respectively. All decisions by the judges are final. Judging will take place before we eat.

Schedule for the picnic is as follows:

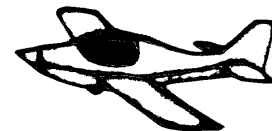

- 10:00 Set-up
- 12:00 Grill started Let's PICNIC
- 12:45 Judging for Best Side Dish
- 1:00 Judging complete – Burgers & Brats on the grill!
- 1:15 Let's EAT!
- 2:00 Contest winners announced. Games begin.
- 5:30 More burgers and brats for those still standing

If you are looking for something to do on Sunday, head over to the Burlington Airport for their Planes, Trains, and Automobiles Fly In from 8:00 until 1:00. Country breakfast is served, and admission is free.

Also, reserve Saturday September 8 for the Waukegan Open House. We will be flying Young Eagles from 9:00 AM until Noon. Pilot should contact John Tierney for details (262 537-3211). Ground crew please contact Kathy. We will be setting up the shelter and trailer Friday night, and have early set-up Saturday morning, starting at 7:30 AM. We will have kids by 9:00, so expect to be off the ground by 9:02!

Blue Skies!

Jim
